## SALE FROM THE COLLEGE TEXEL FLOCK

Following on from our last Texel female sale in January 2015 and an extensive ET programme our numbers are back up to 100 gimmers and one crop ewes.

We have taken the hard decision to sell these, with no exceptions the best sheep will be in the sale. We will retain only the ewe lambs and a handful of old faithfuls.

The reason for this is twofold; firstly we need to concentrate on a new venture -a free range poultry enterprise to which we need to give 110%, secondly to raise capital for the project.

The breeding of these ewes is as before to produce well-muscled shearling rams with great skins and stretch to compete in the top flight at Kelso Ram Sales. Nearly every sheep in the sale will have Brackenridge Strongbow in one side or the other.

□	2012	28 Shearlings	Top £11,000	Average £1193
□	2013	25 Shearlings	Top £ 1500	Average £783
□	2014	35 Shearlings	Top £7200	Average £1192
□	2016	30 Shearlings	Top £1400	Average £910
□	Giving us a great average of £1035 for 118 rams in these years.			

Sale highlights at Kelso Ram Sales include the sale of College Special for £11,000 in 2012, the second top price on the day, second to Brackenridge Strongbow. At Kelso In 2014 we sold College Utopia a Brackenridge Strongbow son for £7200 which made the third top price on the day.

With the extensive use of Brackenridge Strongbow, who is a high index ram, this sale should appeal to flocks following figures.

The flock is in the heptavac P system and have been vaccinated with Enzovax and Toxovax. The sheep will also be available for Export to Northern Ireland on sale day.

*Ted, Anne and Harry Fox*

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the auction sale. **PLEASE DO NOT STAND IN THE SALE RING ENTRANCE AND EXIT PASSAGES.**

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.
