*Notes: One of the most exciting embryos the Welsh flock could offer for sale. This is an outstanding change to get the highest possible bloodlines in the country. The Dan of the Embryo is the 2nd highest priced female in the country to date costing £24,000 when she was bought in Carlisle. She is a daughter of Tophill Knockout out of a daughter by Anglezarke Krug. She is a full sister to the 8,000gns Knock Powerpacker and is maternal sister to the 20,000gn Knock Oregano, as well as Knock Orion, Ronick, Nugget and Reebok. The sire of the embryo, Raviotti, purchased privately after the stamp Kelso Pavarotti, his ET brother, made on the Texel breed. This is a unique chance to buy such a well-bred embryo.*

*Notes: Another top quality bred embryo. This time with one of our own ewes being the dam. She is a Teiglum Tornado daughter, part of the winning pair at last year's Progeny Show. Her full sister won the NSA Sale last year and was sold for four figures to Northern Ireland. We showed this ewe at the Royal Welsh this year standing 7th out of 54 entries. She goes back to a terrific Glenside Foysyth ewe who is a daughter of our famous Annan ewe purchased privately from Procters. The sire of this needs no introduction as he is in our reference sire. He's the much talked about Cornmore Weed Hopper.*
