- 5.1 Irrespective of anything to the contrary in these Conditions, and save as provided by Condition 5.2, any written notice under any of these Conditions may be served on the person to whom it is to be given either personally, or by leaving it for him at his last known address, or by sending it through the post in a prepaid recorded delivery letter addressed to him there, and any such letter shall be deemed to have been received by him at the time at which it would be delivered in the ordinary course of post.
- 5.2 Any written notice required by any of these Conditions to be given by a **purchaser** to a **vendor** may be given by such **purchaser** to the **auctioneers** on the **vendor's** behalf, either by leaving it at the office of the **auctioneers**, or by sending it through the post in a prepaid recorded delivery letter addressed to the **auctioneers** there and any such letter shall be deemed to have been received by the **vendor** at the time at which it would be delivered to the **auctioneers** in the ordinary course of post.

6 Liability of the auctioneers

- 6.1 The **auctioneers** act in all respects only as agents for the **vendor** and no condition or warranty is given by the **auctioneers** or their servants, and none shall be implied, as to title, description or the quality of any lot sold. Neither the **auctioneers** nor their servants shall be liable to the **purchaser** in any respect for any defect of title, error of description or imperfection or for any announcement or statement concerning any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any **vendor** and **purchaser**.
- 6.2 The **auctioneers** shall not be liable in any way for any accident which happens to any person while on the **sale premises**, unless it arises out of the **auctioneers'** or their servants' negligence.

- 9.2 In the case of a private sale:

- (a) either the **vendor** or the **purchaser** shall book the transaction with the **auctioneers** and the purchase money shall be payable to the **auctioneers** in full; and
- (b) the **auctioneers** may charge the commission which would have been payable if the lot had been sold at auction for the price obtained on the private sale, and if they exercise that right the **auctioneers** may deduct the commission from the purchase money before accounting to the **vendor**.

- 9.3 If the **vendor** fails to comply with the provisions of paragraph (a) of Condition 9.2, he shall be liable to pay the **auctioneers'** commission.

- (c) any bull aged 8 months or more which is not effectively ringed and haltered unless it is a young bull reared to be sold for bull beef which satisfies applicable safety precautions.

- 10.3 Any decision of the **auctioneers** under Condition 10.1 shall be final and binding on all parties and the **auctioneers** shall not be liable in any way to any person for any act reasonably done by them in the exercise of their rights under Condition 10.1, or for any consequences resulting from any such act.
- 10.4 If any person brings to the **sale premises** any animal which he could reasonably have known to be dangerous, or any animal the exposure of which in any market, fairground or sale yard is for the time being forbidden by law, he shall be liable for all injury, damages, costs, losses or expenses which the **auctioneers** or any other person may sustain or incur, either directly or indirectly, as a result of such act.

11 Reserve prices, order of sale and bidding

- 11.1 The **auctioneers** reserve on behalf of themselves and the **vendor** the following rights:

 - (b) to bid on behalf of the **vendor** up to the value of the reserve;
 - (c) to re-arrange, consolidate or withdraw any lots or to vary the order of the sale; and
 - (d) without giving any reason, to refuse to accept the bids of any person.
- 11.2 A **vendor** who wishes to fix a reserve price on any lot owned by him shall so notify the **auctioneers** in writing before the sale of that lot begins, failing which the **auctioneers** may sell the lot to the highest bidder.
- 11.3 The **auctioneers** may refuse to accept bids from a **vendor** for a lot owned by him and a **vendor** shall not bid for a lot owned by him by any agent other than the **auctioneers**.
- 11.4 No person may advance on the previous bid less than the sum named from time to time by the **auctioneers**.
- 11.5 No bid may be retracted.
- 11.6 The person making the highest accepted bid shall be the **purchaser**.
- 11.7 If a dispute arises as to any bidding, then, at the discretion of the **auctioneers**, either:
- (a) the relevant lot shall immediately be put up again; or
 - (b) the **auctioneers** shall determine the dispute, and their decision shall be final and binding on all parties

12 Weighbridges

- 12.1 The **auctioneers** shall ensure that any weighbridge used in the sale weighs accurately throughout the sale.

13 Removal of stock

- 13.1 The **purchaser** shall remove his lots at his own expense within such reasonable time after the **end of the day's sale** as the **auctioneers** may direct but only after the **auctioneers** have issued a written pass.

14 Terms of business

- 14.1 The **auctioneers** shall ensure that their trading terms are clearly communicated to **vendors** and that they include:

- (a) an obligation on the **auctioneers** to pay to the **vendor** within an agreed time the proceeds (less agreed charges) for animals sold; and
- (b) full details of the rates of commission charged by the **auctioneers**.

- 14.2 If the **auctioneers** charge a buyer's premium this must be clearly communicated to all prospective **purchasers** before the sale begins.

15 Statutory levy schemes

- 15.1 The **auctioneers** shall notify **vendors** and **purchasers** of any statutory levy schemes which are in force at the time of sale and shall clearly designate prior to the start of the auction sale the section of the sale to which any levy scheme applies. In the case of levy schemes applying to animals designated as slaughter animals and where the **auctioneers** have designated a slaughter section of the auction sale

- (a) the **vendor** accepts a liability to be debited with the amount of any such sum recoverable by the **purchaser** in respect of all of the animals in that section'
- (b) the **purchaser** accepts that the sum which he may recover from the **auctioneers** will be credited to him only for animals sold in the designated section of the sale, even though animals within other sections of the auction sale may, following their purchase at auction, be sent for immediate slaughter.

- 15.2 For the purposes of Condition 15.1 the **auctioneers'** decision regarding the designation of animals as slaughter animals or non-slaughter animals shall be final and binding on all parties.

16 Liability of vendors and purchasers for documentation

- 16.1 Where under any enactment an animal must be accompanied by any documentation then:

- (a) the **vendor** shall be responsible for delivering to the **auctioneers** all relevant documents and shall indemnify the **auctioneers** against any claim by the **purchaser** resulting from false or incorrectly completed documents or from the

vendor's non-delivery to the **auctioneers** of any such documentation; and

- (b) the **purchaser** shall be responsible for obtaining from the **auctioneers** or the **vendor**, as the case may be, all documentation to which he is entitled and shall indemnify the **auctioneers** against any claim from any person resulting from the **purchaser's** failure to do so.
- 16.2 If the **purchaser** believes that any documentation is false or incorrectly completed he shall notify the **auctioneers** by telephone (confirmed by notice in writing posted first class to the **auctioneers** and supported by a **veterinary surgeon's certificate** or similar officially authorised certificate) before the end of normal business hours on the second day after the day of sale.
- 16.3 Where any **enactment** requires the **auctioneers** to give information to an approved organisation, such as **Defra** or its agents, the **auctioneers** may use any documentation or other information in their possession to supply any information required.

PART III – GENERAL CONDITIONS AFFECTING VENDOR AND PURCHASER

17 Disclosure of owner's name: sale for disclosed principal

- 17.1 Each lot shall be entered for sale in its owner's name and if required the owner's name as given to the **auctioneers** shall be declared by them, when the lot is put up for sale.
- 17.2 Whether or not a **purchaser** requires disclosure of the owner's name the **auctioneers** shall for all purposes be deemed to sell as agents for a disclosed principal.

18 Warranty of title

- 18.1 All lots are accepted for sale by the **auctioneers** on condition that the **vendor** warrants his right to sell the same. The **vendor** shall indemnify the **auctioneers** and the **purchaser** against all actions, proceedings, claims, demands, costs, charges and expenses which they may sustain or incur by reason of any defect in the **vendor's** title.

19 Principal and agent: joint and several liability: bids by agents

- 19.1 Where animals are offered for sale by a person in his own name but he is in fact acting as an agent he shall, if so required by the **auctioneers**, be bound to disclose the name and address of his principal and in such a case both the principal and the agent shall be jointly and severally liable under the contract and any steps authorised by these Conditions or by the general law may be taken against either or both of them.
- 19.2 Any person intending to bid for any animal as an agent shall so inform the **auctioneers** before the sale of such animal begins and shall, if required by the **auctioneers**, disclose the name and address of his principal.
- 19.3 Subject to Condition 19.4, in all cases where a person whose bid is accepted is in fact acting as an agent, whether or not he has disclosed that fact, he and his principal shall be deemed to be and shall remain jointly and severally liable on the contract and:
- (a) any steps or proceedings authorised by these Conditions or the general law may be taken or commenced against either or both of them; and
 - (b) no steps taken or proceedings commenced against the principal or the agent shall be deemed to operate as an election discharging the other from liability unless such steps or proceedings result in a final satisfied judgement.
- 19.4 Condition 19.3 shall not apply if before the commencement of the sale the person acting as an agent informs the **auctioneers** that he intends to contract as a principal, in which case he will be deemed to be solely liable on the contract.

20 Name or purchaser: payment of purchase money: transfer of title

- 20.1 The **purchaser** shall give his name and address to the **auctioneers** when required.

- 20.2 The **purchaser** shall pay the purchase money for each lot to the **auctioneers** as soon after the fall of the hammer as the **auctioneers** may require. Any time allowed for payment in respect of any purchase shall not be construed as a waiver of the right to require earlier payment on any subsequent purchase.
- 20.3 The **purchaser** shall not make any set-off or other plea for non-payment of the purchase money and shall be liable to the **auctioneers** for any unpaid purchase money whether or not the lot bought has been delivered.
- 20.4 If the **purchaser** fails to pay for any lot when required by the **auctioneer** and he is not entitled to return the lot under any of these Conditions, the **auctioneers** may, by notice in writing to the **purchaser**, rescind the contract of sale to him whereupon the lot shall be deemed to be resold to and become the property of the **auctioneers** who shall be responsible to the **vendor** for the amount for which the lot was sold to the **purchaser** less the applicable charges.
- 20.5 Even though risk in the animal in any lot may have passed to the **purchaser**, title to the animal in any lot will remain with the **vendor** until the **purchaser** has paid the purchase money for that lot in full and in the case of uncleared funds the sum has cleared in the **auctioneers'** bank account. Until title has passed to the **purchaser** under this condition the **vendor** may recover possession of the animal from the **purchaser** and the **vendor** or the **auctioneers** may enter upon the **purchaser's** premises (or such other premises where the animal is held) in order to do so.
- 20.6 If the **auctioneers** account to the **vendor** for the purchase money for a lot (less the applicable charges) before the **purchaser** has made payment in full to the **auctioneers** then the **auctioneers** shall be entitled to any rights in the animals in that lot which the **vendor** may have under Condition 20.5.

21 Sales of animals by a purchaser

- 21.1 If, before an animal is removed from the **sale premises**, the **purchaser** of that animal sells it to some other person and notifies the **auctioneers** of the name and address of that person then that person shall be treated as the **purchaser** of that animal and shall be entitled to all the rights, and subject to all the obligations, of the original **purchaser** under these Conditions but this will not affect the right of the **vendor**, or of the **auctioneers** as agents for the **vendor**, to hold the original **purchaser** liable if that person fails to fulfil any of those obligations.

22 Responsibility for stock before and after sale

- 22.1 All animals are at the risk of the **vendor** before sale and at the risk of the **purchaser** after sale.
- 22.2 The **auctioneers** shall take reasonable care when moving the animals to and from the sale ring.
- 22.3 If the **auctioneers** expressly agree to take charge of any lot after the sale or to forward

it to its destination they shall be liable for any failure to fulfil this obligation which is due to their or their servants' negligence, but otherwise, save as provided by Condition 22.2, the **auctioneers** shall have no liability or obligation for the safe custody of any lot after the sale.

23 Default

23.1 If a **purchaser** fails to perform any of his obligations under the Conditions in this Part III, the **auctioneers** may cause the lot in respect of which the failure is made to be resold by public or private sale without warranty or reserve and without notice to the **purchaser**.

23.2 If on such re-sale a lower price is obtained for the lot than was obtained on the first sale, the **purchaser** shall be liable to the **auctioneers** for the difference in price together with all associated re-sale costs and expenses.

24 Unsoundness

24.1 *Vendor's warranty*

This warranty is an **after-sale warranty**.

(d) *Pigs*

Each animal is warranted to be free from any **unsoundness**. This warranty is an **after-sale warranty**.

If the **purchaser** proves a breach of warranty he may exercise his rights under Condition 66. Notice of a claim under the warranty in Condition 24.1(a)(ii) must be supported by a **veterinary surgeon's certificate**.

25 Exclusions and exceptions to the warranty of soundness

25.1 If an animal is sold "as it stands" it is sold without any warranty except as to title. Each of the following is deemed to be sold "as it stands" without the need for any statement by the **auctioneers** either in the catalogue or at the time of sale:

- (a) any stock bull, calved cow or calved heifer, or any cow or heifer in calf which realises less than the amount in paragraph (a) of the Appendix;
- (b) any calf, or any bovine animal not included in paragraph (a) above, which realises less than the amount in paragraph (b) of the Appendix;

The **vendor** warrants that lots described in the catalogue or at the time of sale as home bred are not and do not contain **imported** animals. This warranty is an **after-sale warranty**.

27.2 *Purchaser's rights*

If the **purchaser** proves a breach of warranty he may exercise his rights under Condition 66 either in respect of the **imported** animal only or in respect of all of the animals in the lot.

- 28.1 If the **purchaser** of any animal which for the purpose of maintaining its health status is segregated from other animals on the **sale premises**, allows it to come into contact with other animals, either on the **sale premises** or elsewhere or otherwise, allows it to lose its Health Status accreditation, any right which the **purchaser** would otherwise have under these conditions to return the animals to the **vendor** shall be lost.

29 Pedigree stock

- 29.1 These Conditions shall apply to the sale of any pedigree stock save in so far as they conflict with any special conditions expressly stated by the **auctioneers** in the catalogue or at the time of sale as applying to that sale.

PART IV – ANIMALS SOLD FOR SLAUGHTER

- 64.2 The **purchaser** may not sustain any claim under these conditions unless he has paid the purchase money in full before the claim is made.

65 Faults and errors of description

- 65.1 Except as expressly provided in these Conditions there shall be no condition or warranty, otherwise than as to title, in regard to any lots sold and the **purchaser** shall **take delivery** of each lot with all faults, imperfections and errors of description.

66 Remedy for breach of warranty, other than the warranty of title

- 66.1 Except where otherwise expressly provided, the breach of any warranty in these Conditions shall give the **purchaser** a right to refuse to **take delivery** of or to return the animal in accordance with these Conditions and to recover such reasonable costs and charges as he may be entitled to under these Conditions, but shall give him no right to claim damages from the **vendor** in lieu of exercising such right of refusal or return. **Purchasers** are entitled to the remedies set out in these Conditions, but to no others.
- 66.2 No claim by a **purchaser** under these Conditions shall be valid unless the **purchaser** notifies the **auctioneers** in the manner and within the time prescribed.
- 66.3 Where under these Conditions the **purchaser** has the option of returning an animal or claiming damages then, unless within 3 days after first notifying the **auctioneers** or the **vendor** of his claim he either returns the animal to the **auctioneers** or, as the **auctioneers** may direct, to the **vendor** or gives notice in writing to the **auctioneers** and the **vendor** of his intention to return the animal and of his willingness to comply with any directions which may be given to him regarding the return of the animal, the **purchaser** shall be taken to have elected to claim damages and to have waived any right to return the animal.
- 66.4 Where under these Conditions the **purchaser's** sole remedy is to return the animal it shall be returned within 3 days of a request by the **auctioneers**.

67 Procedure in the cases of contested claims for breach of warranty

- 67.1 No claim by a **purchaser** that an animal does not comply with any warranty, other than any **warranty of title**, shall be valid unless:

- (a) the **purchaser** notifies the **auctioneers** in the manner and within the time prescribed and provides any **veterinary surgeon's certificate** or other person's certificate or opinion required by these Conditions; and
- (b) in a case where the **purchaser** claims the right to reject an animal on the ground that its physical condition constitutes a breach of warranty and the **vendor** calls for a **veterinary surgeon's certificate** the **purchaser** provides that certificate within such reasonable period as the **auctioneers** may specify.
- 67.2 Notwithstanding any other provision of these Conditions, where by these Conditions any **veterinary surgeon's certificate** or other person's certificate or opinion must be provided within any specified period the **auctioneers** may, either before or after the expiration of the specified period, allow such further time for the delivery of the certificate or opinion as they in their sole discretion think fit and where the certificate or opinion is provided within that further time the **purchaser's** claim shall be as effective as if the certificate or opinion had been provided within the specified period.
- 67.3 If the **vendor** disputes the **purchaser's** claim for breach of warranty, the claim shall be referred for decision to the **auctioneers** or to such other person as the **auctioneers** may appoint for the purpose, (in either case the "**referee**"). The **referee**, who shall act as an independent expert and not as an arbitrator, shall make such examination or trial of the animal and such inquiry of such persons as in his sole discretion he considers necessary or desirable for determining the dispute.
- 67.4 The decision of the **referee** on any matter referred to him, which shall include the question whether any disease is or is not, whether by reason of its temporary character or otherwise, such as to constitute a breach of warranty, and on whether any animal which is to be returned shall be returned to the premises of the **vendor** or of the **auctioneers**, shall be final and binding upon both **vendor** and **purchaser** provided that if either the **vendor** or the **purchaser** so requests in writing within 14 days after the decision the **referee** shall within 21 days after receiving such a request put his decision into writing and send a copy to each of the **vendor** and the **purchaser**.
- 67.5 The party against whom any decision is given shall pay all reasonable expenses incurred by the **auctioneers** in connection therewith, including the costs of any examination or inquiry and the fees of any person appointed by the **auctioneers** to give any decision or to make any examination, trial or inquiry.

68 Return of stock

- 68.1 Where a **purchaser** exercises his right under these Conditions to refuse to **take delivery** of any animal or to return it to the **vendor** he shall be entitled to the return of such part of the purchase money as he has paid (and need not pay any part of it which he has not paid) and to a refund of the reasonable costs and expenses incurred by him in obtaining any **veterinary surgeon's certificate** or other person's certificate or opinion which he is required to furnish under these Conditions in order to exercise his right.

- 68.2 Where a **purchaser** exercises his right to return an animal he shall do so at his own expense but the **vendor** shall pay to the **purchaser** the reasonable costs and charges of the transit of such animal to and from the **purchaser's** premises and, in the case of an animal which has been on the **purchaser's** premises for not less than a week, the reasonable cost of its keep.
- 68.3 Should the **purchaser** of any animal return it without being entitled by these Conditions to do so he shall pay the **auctioneers** and the **vendor** all costs, expenses and damages which they may respectively sustain or incur as a consequence.
- 68.4 If any animal is returned by the **purchaser** to the **auctioneers'** premises and neither the **purchaser** nor the **vendor** removes the animal within 3 days after written notice from the **auctioneers** to do so, the **auctioneers** may cause the animal to be re-sold by public or private sale without warranty or reserve and without further notice to the **vendor** or **purchaser**.
- 68.5 The moneys produced by the re-sale, after deducting the costs and charges of and attending the re-sale, a reasonable sum for the feed and care of the animal pending re-sale and any **veterinary surgeon's** charges necessarily or reasonably incurred, shall be held by the **auctioneers** on behalf of the person who proves to be entitled to them, or may be paid into court under interpleader proceedings.
- 68.6 If the moneys produced by the re-sale are insufficient to cover the costs and charges referred to in Condition 68.5 the **auctioneers** shall be entitled to recover the deficiency from the person who was the owner of the animal immediately before its re-sale.
- 68.7 If a **veterinary surgeon** certifies that any animal returned to the **auctioneers'** premises is suffering from disease or any other defect and in consequence ought to be slaughtered, the **auctioneers** may, after taking all reasonable steps to notify the **purchaser** and **vendor**, cause the animal to be slaughtered and shall be entitled to recover from the person who is the owner of the animal at the time when it is slaughtered the **veterinary surgeon's** charges and a reasonable sum for the feed and care of the animal and its slaughter.
