The gimmers we are offering for sale are the best we've bred to date, with our two show gimmers being first and second into the ring.

Kinross Show Champion – Halbeath VIP

Perth Show Male Champion and Reserve Champion Texel – Halbeath VIP.

WELSH FLOCK S & T EVANS

We feel very honoured to be invited to bring sheep again to this prestigious sale. Over the years the Welsh flock has been developing an excellent reputation by using top breeding family lines and outstanding sires focusing on breed characteristics, good skins, carcasses and sheep with that extra something, the wow factor!

2014 was certainly a year to remember as the Welsh flock achieved the highest price in each Texel sale in West Wales. In addition at the NSA English Sale in Worcester we were awarded Female Champion and top price. Last year we achieved 1200gns for ewe lambs and averaged 788gns. After much deliberation we have decided to bring what we consider to be the best ewe lamb we have ever bred as well as some exciting Embryo prospects!

We hope that all potential purchasers will have a successful day and we look forward to meeting you.

Tomos Evans

Welsh Your the Girl has been a star from birth and has been admired by many breeders. Considered to be the best ewe lamb we have ever offered for sale. She is by Charben Warhorse an exciting ram which was retained by the Charben flock resulting in only a handful of lambs being on the ground out of this exciting line. We are very thankful that we had the use of this ram as he has given us some very well bred females. The dam of Your the Girl was purchased privately from the Cairness flock and is out of the 10,000gn Milnbank Tank.

What an opportunity to have on offer! This embryo's maternal sister will be Welsh Your The Girl. The dam has bred terrifically well so far for the Welsh flock. She is full of power and character and seen in the earlier ewe lambs she is passing on these valuable traits. The sire of the embryo needs no introduction - Millars Windbrook! What a year his sons had in the sales topping at 35,000gns for Strathbogie Ya Belter. This embryo should turn some heads with the breeding it has behind it.
