ROBEX FLOCK

The Robex flock was established in 2011 after we purchased some tremendous females privately from much admired flocks Brijon and College. We also purchased a cracking ewe at the Tweed flock dispersal sale in 2012 who was successfully flushed and over her years with us she produced some great rams to sell and five of our favourite females in the flock. When we were purchasing these females we focussed on tight skins, good legs, outlook and most importantly confirmation. As a result our flock have inherited the same traits and continue to produce rams and females suited to both commercial and breeders purposes.

It has been a very difficult decision to make but we have decided to disperse the entire adult portion of our registered pure Texel flock along with our unregistered Texel gimmers and our Beltex cross Texel ewes. The reason for this change is we have taken on a contract farming position on a hill farm.

This is our first time selling females, however we have sold rams for the past five years. The rams have been sold as unregistered pure Texels at Kelso Ram Sales every year and have averaged £995 for 54 rams with a top price of £3000. This year we were awarded 'Best Pen' in ring 18 and also had the Champion Ram in the pre-sale show which went on to sell for £3000. The flock has also had the top average in its ring for three out of the last five years.

It has been a great pleasure to breed these girls over the years and we wish our buyers the best of luck with their purchases.

Flock Health Status:

- MV accredited
- All females are in the Heptavac P system, dipped and vaccinated against enzootic abortion, toxoplasmosis and footvaxed.
- All will be insured for 3 months luck penny insurance at the fall of the hammer.

UNREGISTERED PURE TEXEL FEMALES

We have a small group of unregistered pure Texel gimmers to sell. This consignment are sired by an unregistered Texel ram purchased by Stuart Oliver for £3300 at Hexham 2015 (a record price for Hexham) from the Reeds at Lands Farm. When we saw him we could not resist giving him a few ewes on account of his tremendous skin, carcase and outlook.

We sold seven shearlings (brothers to these gimmers) at Kelso Ram Sales this year to top at £2000 and average £1279.

**Unregistered Pure Texel Gimmers (2016 born) -
in lamb to Duhonw You Belter (purchased for £8600 Builth Wells 2017 - see page 9)**

BELTEX CROSS TEXEL FEMALES

The following females are the remainder of the flocks show lambs and cross ram breeding females. We have sold Beltex cross Texel rams at Kelso ram sales for four years and over that time we have sold 38 rams to average £782 with a top price of £1550.

We have also bred a lot of show winners with these ewes for carcase competitions, the pinnacle of which was winning Supreme Sheep Champion with a pair of Beltex cross prime lambs at Livescot Scottish Winter Fair 2014. We have also won Champion with prime lambs twice at St Boswells Christmas Cracker Show and three times at Border Union Show as well as numerous local shows.

HEALTH AND SAFETY RULES HARRISON & HETHERINGTON LIMITED NOTICE TO ALL VISITORS AND TRADERS PLEASE READ AND OBSERVE THE FOLLOWING

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the auction sale. **PLEASE DO NOT STAND IN THE SALE RING ENTRANCE AND EXIT PASSAGES.**

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request.
