WELSH FLOCK

SELWYN & TOMOS EVANS

We feel very honored to be returning with sheep to this prestigious sale. Over the years the Welsh flock has been developing an excellent reputation by using top breeding family lines and outstanding sires focusing on breed characteristics, good skins and carcasses and sheep with that extra something, the wow factor! 2016 at the Twilight sale was certainly one to remember with two ewe lambs making over £2000!! After bringing the best of the flocks ewe lambs for the last couple of years we are doing so again this year! We have some head turners which would be an asset to any flock as well as exciting Embryo prospects!

We hope that all potential purchasers will have a successful and enjoyable day and we look forward to meeting both previous and new purchasers!

Tomos Evans

Reference to Sires

Cornmore Weed Hopper - purchased jointly for 4500gns, he is a full brother to Cornmore Velvet Jacket. Has bred tremendous gimmers for the Welsh flock.

Llangwm YMCA – an exciting lamb used last year, he was retained by the Llangwm flock and when we saw him we knew why! An outstanding lamb ram as can be seen in his excellent daughters.

Charben Warhorse - needs no introduction after seeing the flocks ewe lambs last year! He bred very well in both the Welsh and Charben flocks.

AUCTIONEER'S TERMS & CONDITIONS OF SALE
(Incorporating the Auctioneer's Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Live-stock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
