## CONDITIONS OF SALE

All sheep will be sold under the Auspices of the Society and the LAA National Conditions of Sale (Livestock Auctioneers Association). These can be viewed at ...

**[www.texel.co.uk/societyrules](http://www.texel.co.uk/societyrules)**

Neck tags must be worn by all sheep PRIOR to the inspection.

Individual animal ID numbers on ear tags must match the ID number displayed in the sales catalogue and substitute catalogue.

### **DISCLAIMER**

While every effort is made to ensure accuracy of information contained within the Texel Sheep Society Sale Catalogues, the Pedigree information is supplied by the Breeder to the Society and to their best knowledge and belief the information contained therein is true and correct. No responsibility can be accepted for any errors or omissions or any reliance on use of the information to readers

### **AUCTION MART RULES FOR VENDORS**

The Shepherd in charge must bring their respective lots forward, take them to and from the Sale Ring, attend until delivered and assist in trucking if required as the Auctioneers will be responsible only for what is delivered to the purchaser. Should the Shepherd not be in attendance at the time his lots fall to be sold, it will be passed over and taken at the end of Sale.

All Stock will proceed in the order of the Catalogue and all lots not previously entered will be sold only when the list is finished.

**All purchases to be settled for and taken delivery of on the Day of Sale.**

**No stock can be removed without a Pass.**

Purchasers should see that their Stock is correct before leaving the gates, as no deduction can be made afterwards.

No Private Sales prior to the Stock being offered by Auction will be allowed or recognised by the Salesman.

The usual commission must be paid on consignments sold privately within this Market.

Every assistance in loading or keeping overnight, for the accommodation only of Buyers, will be arranged, as far as possible, by the Auctioneers, who will **not** be responsible for loss or damage incurred thereby.
