The Whitehart flock are very pleased to offer a selection of sound, smart & strong yearling ewes as surplus to our flock requirements. All of which are capable of producing saleable offspring as breeding sheep for new breeders and existing ones.

" It's all about the meat " and "Flesh weighs and pays" are phrases strong in our minds with our aim to produce long, well fleshed sheep with good tops, backends and a sharp outlook, maintaining as much breed characters as possible that most importantly go on and do a good job at their new homes.

We have been very lucky to have sold sheep into some very noted flocks including Langside, Arkle , Scolton and Loosebeare , which have then gone on to produce the goods for them.
