M P & P BERRY

HIGHLANE

YBH

Following the unexpected and quite shattering death of my wife Pauline recently, I'm aiming to reduce our flock to a number more suited to my other commitments. Hence, I'm offering for sale all our retained 2019 gimmers, from which we would normally select our annual replacements. All are naturally bred with an eye on both commercial requirements and retention of breed character.

The North West Texel Breeders Club Special Conditions of Sale

All sheep to be Maedi Visna accredited flocks and must be accompanied by the relevant documentation.

All female sheep **MUST BE FULLY REGISTERED** and all male sheep to be fully registered or birth notified and thereby eligible for full registration with the Texel Sheep Society.

All sheep entries should clearly show whether the animal is single, twin, triplet, quad, etc. or ET and this information to be clearly shown in the Sale Catalogue.

Adult sheep entered at Shows and Sales under the auspices of the Texel Sheep Society must be bare clipped after 1st April each year.

All sheep will be subject to a club inspection. Any animal or group of animals, which do not reach the club standard, will not be eligible for sale. The decision of the inspectors will be final and any animal or group of animals failed will be removed from the sale and forfeit the entry fee and failure to accept the inspectors decision will result in the entire consignment being rejected. When an animal is referred to a Veterinary Surgeon, his decision will be final.

No dressing, artificial whitening, clipping or excessive use of dips on the fleeces of sheep will be permitted. An inspector may be present at the sale with the authority to disqualify any sheep, which in his opinion, are below a minimum standard with regard to breed type or are found to be contravening the Society Bye-laws, right up to the point of sale.

All sheep shall be penned by 10am Sunday 11th August, 2019. Inspections from 8am. Judging to commence at 10am. Sale at 1pm.

The Society requires that all pedigree Texel sheep carry two different forms of identification, each clearly identifying the Society flock book number for that animal. Pedigree Texel's can be identified with a tag plus a tattoo or two separate tags. Any animal with indistinct identification or carrying one form of identification will be rejected unless the Society has been notified in advance of the inspection and a dispensation certificate accompanies the animal to the point of inspection.

The categories of sheep offered for sale will be defined on the entry form.

If any animal offered for sale has had semen or embryos collected from it the number of embryos/amount of semen in storage must be declared at point of sale.

The purchaser shall have no right to claim damages from the vendor in respect of indirect or consequential loss such as (but not limited to) loss of profit or any other loss whatsoever.

The Texel Sheep Society reserves the right to blood sample any sheep and/or take wool samples for forensic testing.

Prize winners at the show prior to sale, which subsequently leave the ring unsold, forfeit all trophies and prize money awarded.

Once inspected, an animal must remain in the sale yard until offered for sale.

All sheep sold in guineas. All sheep sold at sales organised by the Society recognised Clubs will be subject to the Society levy amounting to 0.5% of the gross sale price; in addition a levy of 0.5% will be collected by the Club and the Auctioneers Commission.

All vendors must sign the declaration, agreeing to abide by the Club conditions of entry and conditions of sale, on the entry form.

There will be a minimum bid price of 180gns for Ram Lambs; 180gns for Shearling Rams; and 180gns for Gimmer Shearlings.

Committee reserve right to limit numbers if oversubscribed.

Scrapie Genotyping is no longer mandatory. If the Scrapie Genotyping is declared in the sale catalogue or at point of sale and subsequently found to be incorrect, for whatever reason, the purchaser shall have the right to return the animal and to claim the full purchase price from the vendor.

All Sheep will be sold under Bye Laws governing sale of Texel Sheep Society and sold under General Conditions of Sale of LAM

GDPR: North West Auctions will collect data and photographic/video records for each sale and may use this for marketing purposes including printed and electronic marketing including names and partial address of vendors and buyers. If you do not wish your details to be disclosed for marketing purposes and sales reporting you must notify us in writing.

11.9 If any animal offered for sale has had semen or embryo's collected from it, or used as a sire, the vendor must declare this on the sales entry form (Online or Paper entry) and is solely responsible for checking the sales catalogue entry and substitution catalogue entry (if applicable) and reporting any omission or error to the Society prior to the inspection taking place. Failure to do so will exclude the sheep from the sale. Whilst every effort is made to ensure accuracy of information contained within each catalogue, no responsibility can be accepted by the Society for any errors or omissions or any reliance on use of the information. Purchasers should satisfy their queries/concerns with each vendor, prior to purchase of sale lots.

11.10 The Society reserves the right to take blood, tissue or wool samples, archive DNA, genotype sheep presented by members.

11.11 Once inspected at a society sale, an animal must remain in the sale yard until offered for sale.

11.12 Commission will be applied by the Auctioneer on the following bases and detailed in the catalogue. 12. Special Additional Conditions of Entry to National Sales & pre-sale show

12.2 All sheep will be subject to a veterinary inspection. Any animal or group of animals, which do not reach the veterinary inspection standard, will not be eligible for sale. 12.3 All sheep to have been bred by the vendor, other than the Shearling Ram Classes.

Each substitute will be marked clearly with a bright luminous spray on the centre of the back at the market by inspectors. Substitute catalogue will be available online and/or at the market.

12.5 Prize winners at the show prior to sale, which subsequently leave the ring unsold, forfeit all trophies and prize money awarded.

12.6 All sheep entered at the National Sales will be sold subject to the minimum selling price published in the sales catalogue.

12.7 If due to circumstances out with the Society's control, the sale has to be cancelled, the Society and/or its agents will deduct any expenditure incurred from the gross entry fees received and will reimburse vendors with any residual balance.

12.8 The initial entry ratio restrictions for the National Sales will be as detailed with the pre entry form.

12.9 Vendors sale entries are decided by the Society applying the initial entry ratio to the average number of birth notifications for the vendors flock, received in the three previous years from year of sale. New members and expanding flocks have the right for appeal. The Society reserves the right to amend entries as required. For 2020 this may include a cut back of vendors, due to COVID 19 social distancing rules impacting on each different venue/sale capacity. The Society will endeavor to ensure any additional cut back of vendors is carried out fairly.

12.10 Ballots for all National sales will be drawn by the Societies Chief Executive in sale order based on pre sale entries with notification placed on the society website prior to opening of main entries. The system for each national ballot is as follows:

12.10.1 **Northern Ireland National Sale, Ballymena.** In 1999, the names of all vendors entered in the sale, in each section of the sale, were drawn in a straight ballot. This ballot was then divided into thirds within each section and each third given a unique colour code. In the year 2000, and subsequent years, the colour-coded thirds will rotate backwards by one (each year) and the vendors within each third will be drawn by a fresh ballot each year. Any new vendors will be drawn at the beginning and end of each sale section in equal proportion and will then join the relevant colour-coded section. Any vendor not presenting their consignment for sale will keep their position within their colour-coded section in the ballot providing they present their consignment the following year. If a vendor does not present his consignment for 2 consecutive years, the flock will be regarded as a new vendor.

12.10.2 **Scottish National Sale, Lanark.** The ram lamb section of the Sale will be drawn in a straight ballot with the first and last twenty vendors in the section the previous year entered in the draw after the first and last twenty vendors are drawn in the current year. The gimmer and shearling ram section will be based on a straight ballot with the first ten and last ten vendors in the previous year entered in the draw after the first ten and last ten vendors are drawn in the current year.

12.10.3 **English National Sale, Worcester & the Welsh National Sale, Welshpool.** Each section of the Sale will be drawn in a straight ballot with the first and last five vendors in the section the previous year entered in the draw after the first and last five vendors are drawn in the current year within each section.

12.10.3 **English National Sale, Worcester & the Welsh National Sale, Welshpool.** Each section of the Sale will be drawn in a straight ballot with the first and last five vendors in the section the previous year entered in the draw after the first and last five vendors are drawn in the current year within each section.

12.10.4 Flocks that have a junior membership may be balloted with a known family adult membership flock, unless the junior flock has greater than 1 entry allocated. Adult flocks cannot move to the junior membership ballot.

12.11 All vendors to fully comply with any conditions of sale being imposed by Government bodies or the Auctioneer.

12.12 All pre entries and main entries must be made online and the entry fee detailed for each sale will be collected by Direct Debit.

12.13 It may be necessary for the Show and Sale format to be amended. The Society reserves the right to make any alterations as is deemed necessary up until the time of the sale.

The aim of EBVs are to allow buyers to see how much of an animal's performance is due to its breeding (genetics) and how much has been influenced by the environment that they have been kept in – management, feeding, farm location, housing etc

An animal will pass on half of its genetic merit to its offspring.
eg, if Ram A has a Scan Weight of +3.33 then his progeny at scanning will be over 1.5kg heavier than average
