ENTIRE MATURE PORTION ANNAN FLOCK G K JAMIESON

The Annan flock was established in 1973 with an imported ram and 2 gimmers from the Robert Depernet flock. Further imports in 1976 from R Tardieu and Sabras gave the foundations and descendants of these animals have been hugely influential in the flocks continued success over the years. Annan Jaguar, Oscar, Powerline, Royal Gold, Masterpiece, His Highness, Winner, Won o Won, Ygorra, Blondin all derive from these bloodlines. It is these bloodlines that appear in the histories of many of the leading flocks today.

Stock rams were selected for their character, depth of flesh and gigot, traits that are important in the Texel breed and ones I continue to use in present day. Influential rams included, Annan Double Diamond, Annan Grand Champion, Muirfoot Irwin, Turin Keepsake, Talbot Northern Light, Midhill Othello, Freeford Park Ranger, Turin Union, Milton of Noth Sir Allan, Tinwald Yorkie, Kerse Buster, Baltier Wizard, Muirensk Comrade, Craighead Dynamite, Mushroom Valhalla, with more recent usage of Procters Vagabond, Knock Yardsman and Procters Crackerjack.

The flock has been extremely successful over the years in both the show and sale rings, not only through the pedigree world but in the primestock shows as well. In 1988 we won the Supreme Pen of Champion live lambs and the Supreme Champion lamb carcass at the Royal Smithfield Show. This was only the second time this amazing double feat had been achieved in the history of Smithfield.

Annan sired stock have reigned supreme at the Royal Shows for numerous years and have won all the major Championships.

In the sale ring the Annan flock has always been one of the leading flocks in the country.

In the late 80's, early 90's we were always at the top when it came to averages at the Lanark Premier sale selling ram lambs to average the following: in 1987 over 1400gns, 1988= 1600gns, 1989=2900gns, 1990=2200gns, 1991=1550gns, 1992=3700gns & 1993=3820gns

In 1988 we sold 80 Texel's to average £1000

In 1993 we sold 70 gimmers to average £1425

In 1996, 20 lambs sired by Annan rams averaged over £3000

In 2001 during foot and mouth we lost our entire flock of 699 Texel's as part of an exclusion zone. It was devastating to lose our sheep, but I decided to restock with our own bloodlines and was lucky enough to repurchase JKA98 207, a Craighead Dynamite daughter from Tom Cornthwaite. JKA98 207 was a sister of 2 outstanding gimmers I lost in the cull. It was an invaluable purchase as JKA98 207 has been the most dominant breeder in the flock to date. Half the present ewes have her in their pedigree. Stock was also purchased from Mick & Jean Gould, Woodmarsh and Colin Ponting, Penstone.

Over time I built the flock back up and have successfully sold gimmers at the Christmas Stars Sale with a top price of 7000gns in 2007, 5000gns in 2008, 6500gns in 2009, 11,000gns in 2010, 6000gns in 2018. A gimmer sold to J Innes of Strathbogie Texel's in 2009 for 3500gns went on to breed 48,000gns Strathbogie Untouchable, 20,000gns Strathbogie Upping the Ante and 10,000gns Strathbogie UFO. Private sales of gimmers have also been successful. JKA08 043 has been extremely influential in the Procters flock.

Most recently in the show ring JKA18 0754 (LOT: 457) in the sale was Interbreed Champion at Northumberland Show and in October 2019 we received the award for Champion flock in the Solway & Tyne flock competition.

Unfortunately, the time has come where I must 'act my age' and reduce my workload. The next generation has two dairies to run therefore I have made the difficult decision to disperse the adult portion of the ewes since I am not as fit as I used to be. I have been honoured and privileged to have been part of the Texel breed from the very beginning and I am hugely indebted to my late wife Margaret for all the help and support she gave me for all those years. I would not have been able to do it without her. Thanks also must go to my son John, daughter Helen and families. Special mention must go to Hamish Currie who has been a great help to me during these last few years, also Jeff, Jennifer, Katie and Robbie Aiken who have helped with the preparation of the sheep forward for the sale.

I would like to wish my Texel friends all the very best and thank you for your friendship over the years.

Good luck to all buyers
Keith Jamieson

Please be aware that we will notify the relevant breed society before paying a claim under this policy.

No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense.
