SALE FROM THE ANNAN FLOCK

Lots 113 – 130

FOREWORD

The Annan flock was established in 1973 with an imported ram and 2 gimmers from the Robert Depernet flock. Further imports in 1976 from R Tardieu and Sabras gave the foundations and descendants of these animals have been hugely influential in the flocks continued success over the years. Annan Jaguar, Oscar, Powerline, Royal Gold, Masterpiece, His Highness, Winner, Won o Won, Ygorra, Blondin all derive from these bloodlines. It is these bloodlines that appear in the histories of many of the leading flocks today.

Stock rams were selected for their character, depth of flesh and gigot, traits that are important in the Texel breed and ones I continue to use in present day. Influential rams included, Annan Double Diamond, Annan Grand Champion, Muirfoot Irwin, Turin Keepsake, Talbot Northern Light, Midhill Othello, Freeford Park Ranger, Turin Union, Milton of Noth Sir Allan, Tinwald Yorkie, Kerse Buster, Baltier Wizard, Muireisk Comrade, Craighead Dynamite, Mushroom Valhalla, with more recent usage of Procters Vagabond, Knock Yardsman and Procters Crackerjack.

The flock has been extremely successful over the years in both the show and sale rings, not only through the pedigree world but in the fat stock shows as well. In 1988 we won the Supreme Pen of Champion live lambs and the Supreme Champion lamb carcass at the Royal Smithfield show. This was only the 2nd time this amazing double feat had been achieved in the history of Smithfield.

Annan sired stock have reigned supreme at the Royal shows for numerous years and have won all the major championships.

In the sale ring the Annan flock has always been one of the leading flocks in the country. In the late 80's, early 90's we were always at the top when it came to averages at the Lanark Premier sale selling ram lambs to average the following: in 1987 over 1400gns, 1988= 1600gns, 1989=2900gns, 1990=2200gns, 1991=1550gns, 1992=3700gns & 1993=3820gns

In 1988 we sold 80 Texel's to average £1000

In 1993 we sold 70 gimmers to average £1425

In 1996, 20 lambs sired by Annan rams averaged over £3000

In 2001 during foot and mouth we lost our entire flock of 699 Texel's as part of an exclusion zone. It was devastating to lose our sheep, but I decided to restock with our own bloodlines and was lucky enough to repurchase JKA98 207, a Craighead Dynamite daughter from Tom Cornthwaite. JKA98 207 was a sister of 2 outstanding gimmers I lost in the cull. It was an invaluable purchase as JKA98 207 has been the most dominant breeder in the flock to date. Half the present ewes have her in their pedigree. Stock was also purchased from Mick & Jean Gould, Woodmarsh and Colin Ponting, Penstone.

Over time I built the flock back up and have successfully sold gimmers at the Christmas Stars sale with a top price of 7000gns in 2007, 5000gns in 2008, 6500gns in 2009, 11,000gns in 2010, 6000gns in 2018. A gimmer sold to J Innes of Strathbogie Texel's in 2009 for 3500gns went on to breed 48,000gns Strathbogie Untouchable, 20,000gns Strathbogie Upping the Ante and 10,000gns Strathbogie UFO. Private sales of gimmers have also been successful. JKA08 043 has been extremely influential in the Procters flock.

Most recently in the show ring JKA18 0754 LOT: 7 in the sale was Interbreed Champion at Northumberland show and in October 2019 we received the award for Champion flock in the Solway & Tyne flock competition.

Unfortunately, the time has come where I must 'act my age' and reduce my workload. The next generation has two dairies to run therefore I have made the difficult decision to disperse the adult portion of the ewes since I am not as fit as I used to be. I have been honoured and privileged to have been part of the Texel breed from the very beginning and I am hugely indebted to my late wife Margaret for all the help and support she gave me for all those years. I would not have been able to do it without her. Thanks also must go to my son John, daughter Helen and families. I must mention Hamish Currie who has been a great help to me during these last few years.

I would like to wish my Texel friends all the very best and thank you for your friendship over the years.

Good luck to all buyers

Keith Jamieson

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
