The aim of EBVs is to allow buyers to see how much of an animal's performance is due to its breeding (genetics) and how much has been influenced by the environment that they have been kept in – management, feeding, farm location, housing etc

An animal will pass on half of its genetic merit to its offspring.

e.g., if Ram A has a Scan Weight of +3.33 then his progeny at scanning will be over 1.5kg heavier than average

ARR/ARH Dams maternal sister sold for 5000gns and brother 3800gns

## KNAP FLOCK ROBERT COCKBURN

This year we put forward for sale as good a pen of gimmers as we've had, mostly sired by Sportsmans Cannon Ball. Cannon Ball is the most consistent breeding ram we've used with son's selling to 26,000gns twice, 10,000gns twice, 8500gns and 7000gns. Daughter's have already sold for 8,000gns, 5000gns, 4100gns and 4000gns. He is also sire of Daisy Duke Textravaganza Supreme Champion.

Due to having a very large number of quality ewe lambs this year we have only retained 4 stock gimmers (all by cannon Ball) compared to our usual 10 so this consignment includes genuine stock gimmers.

Previously sold Knap gimmers have produced son's to 26,000gns, 22,000gns and 6000gns. Gimmers are all Enzo and Toxo vaccinated and on Heptavac P system. We look forward to seeing you all there.

## LUCKPENNY INSURANCE: WHAT YOU SHOULD KNOW

Comprehensive cover for livestock buyers  
from 'fall of hammer'

**NFU Mutual**  
FARM INSURANCE

## WELCOME TO LUCKPENNY INSURANCE FROM NFU MUTUAL

You should read your policy documents carefully, to make sure the policy meets your needs and that you understand any limitations.

Here's a summary of the main features, benefits, exclusions and obligations found in our Luckpenny policy. It's not personalised to your individual needs in any way and does not form part of your contract with us.

**To help you make the right decision for your business, we've highlighted the essentials we think are important.**

This summary does not contain the full terms and conditions of this insurance policy, so you should read your policy documents carefully, to make sure it meets your needs and that you understand any limitations.

You can ask your local NFU Mutual Agent for copies of the policy documents.

### OUR LUCKPENNY POLICY

Selling your livestock isn't always straightforward, so anything that can encourage buyers to purchase livestock from you is useful. This policy can help protect higher value breeding stock you sell from events such as accidents or disease.

As a result of the changes we have seen in the market following the pandemic, NFU Mutual have adapted our Luckypenny policy to cover livestock sold online.

Your NFU Mutual Agent is on hand to work closely with you to identify and manage these challenges.

Please be aware that we may notify the relevant breed society before paying a claim under this policy.

### YOUR OBLIGATION TO BUYERS OF YOUR LIVESTOCK

You must give a copy of this document to anyone who buys livestock from you that is covered by Luckpenny Insurance, so they are aware of the cover provided by the policy and any conditions.

(Incorporating the Auctioneer's  
Terms and Conditions )

No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
