Inbreeding within the national pedigree Texel flock

Use the Mating Predictor Tool now on iTexel

Members are encouraged to use the mating predictor on iTexel to manage levels of inbreeding within their flocks. You cannot assess ewe/ram combinations by eye. The Mating Predictor estimates the inbreeding value of the offspring from a particular pairing.

The predictor is available on your smart phone as well as desktop

To check the ram(s) you're interested in purchasing and see how they combine with your ewes:

1. Login to iTexel, click Mating Predictor
2. Choose 'New Combination' to select a Sire and Ewes
3. Click 'View Results'
4. A summary will appear with the number in brackets displaying the predicted inbreeding coefficient. A coefficient below 7 is desirable

Inbreeding can be defined as the mating of related individuals, or of individuals with shared ancestors. A balance needs to be maintained between selecting animals to optimise rates of genetic gain and minimise levels of inbreeding.

Increasing levels of inbreeding can result in inbreeding depression, where performance can suffer. It can be argued that any animal is only one mating away from being outbred.

Each animal's inbreeding coefficient value is now displayed in the sales catalogue. The lower the level of inbreeding the better; a value of 7% or below is regarded as an acceptable level of inbreeding within a breeding programme.

Milestonehill Utah Jazz 6000gns

Service Sires

Craig Douglas Buster – Much admired lamb when purchased at Lanark 2018 for 3600gns, a very consistent breeder of both males and females with ram lambs selling to a top of 2200gns in 2022.

Dunelm Colossus – Purchased at the Maze Sale 2019 for his scale and power. A quality ram, his dam is from one of the top families at Allanfauld.

Bridge Franko – A big solid son of the top breeding Sportsman's Cannon Ball, he was purchased jointly with Tullyear at this year's Ballymena Premier Sale for 2200gns. Bursting with character we hope he will click well with the Milestonehill females.

Lonicera Flock

Foreword

The Lonicera Texel Flock was established in December 2014 following the purchase of some in lamb Gimmers from the Springhill annual female sale. Since then, we have continuously striven to improve the flock with the regular purchase of females from some of the best breeding families from prestigious flocks such as Auldhouseburn, Strathbogie, Procter's, Ettrick, Rhaeadr, Hexel, Mullan, Bluegates, Fairywater and Mellor Vale.

We are pleased to be part of the Inaugural Dungannon Dazzlers Sale, especially as our Insurance Brokerage, Dickson & Co Insurance Brokers, are the main sponsors. We have chosen 5 in lamb gimmers from some of our top breeding families. All Gimmers are in lamb to our stock ram, Procter's El Jeffe, who is a son of £350,000 Sportsmans Double Diamond. El Jeffe was an £11,000 private purchase and in his first season has bred lambs to £3,400 and many of the lambs have gone to pedigree flocks.

We also have 4 special ewe lambs, 3 are daughters of El Jeffe.

Glenhone Flock

Foreword

The Glenhone Flock warmly welcomes everyone to the Dungannon Dazzlers Sale today.

Established in 2011, the flock enjoyed some success through until original flock dispersal in 2019 - as the ewes were not breeding to the standards we have set.

The purchase of a Ewe from Robert Bennett (Plasucha Flock), followed up with careful selection of suitable Service Sires, has enabled the flock to breed some top males and females. This ewe has bred progeny that have been consistent show champions over this past 2 years.

Glenhone Shakira: Champion in Lurgan, Armagh, Saintfield, Omagh, Antrim, Castlewellan, Clogher amongst others.

She got Champion Texel Ewe lamb of the year.

I also received Texel young Breeder of the year 2022 as a result of this ewe.

There will be 2 inlamb gimmers forwarded for this sale which are maternal sisters to Glenhone Shakira.

Dunelm Flock

Foreword

Dunelm Texel's are delighted, in what is their 10th Anniversary Year, to have been invited to the inaugural Dungannon Dazzlers sale & would like to welcome everyone to the event today – either in person or online. Dunelm have entered 9 gimmers from the best lines in the flock and would be confident that these sheep will go on and do well for prospective buyers.

Most Gimmers on sale today are by the 4.8K Auldhouseburn Daimler – used by kind permission of the Shannagh & Castleisle Flocks – who has left his own unique stamp on the crop in terms of power and lift.

Some very exciting Service Sires have been used this season including the 2022 Armagh Show Champion Rockwell Fantastic (a son of 100K Sportsman Batman & Chumba Wumba Dam), the extremely consistent Mullan Daredevil, Mullan Extra Special, who needs no introduction, and our Senior Stock Ram Haddo Diplomat. (Diplomat bisects the multi-Highland Show winning line at Haddo – with his mother being Full Sister to 2018 RHS Champion 40K H Balvenie, whilst his own Full Sister bred 2022 RHS Champion 9K H Falcon).
