The aim of EBVs is to allow buyers to see how much of an animal's performance is due to its breeding (genetics) and how much has been influenced by the environment that they have been kept in – management, feeding, farm location, housing etc

An animal will pass on half of its genetic merit to its offspring.

e.g., if Ram A has a Scan Weight of +3.33 then his progeny at scanning will be over 1.5kg heavier than average

All Gimmers insured for 3 months at fall of the hammer

**Cambwell Dynamite
Sold 2019 for 10,000gns with a share retained**

FOREWARD

This is the 25th anniversary of the first annual collective sale and the 48th year of the Cambwell flock. This year's consignment is a very good representation of the type of Texel we like to breed and sell; performance recorded, easy fleshing sheep with big bodies which are appealing to the eye and most importantly have longevity. The dams of this year's gimmers have an average age of 6.5 years.

All online bidders can be reassured that all the Cambwell Gimmers have perfect mouths and pasterns.

As usual the ewes are insured for 3 months and are all Eligible for Export to Ireland from the sale. All are scrapie monitored and ARR/ARR as are the Service Sires.

1st Large Flock Ewe Lambs 2022

Carcass Show Winners (Four out of the last Five years up until 2022)

FOREWARD

Boghouse and Crawfordjohn Texels are delighted to put forward eight of our best gimmers this year.

Bred first and foremost for carcase, commercial qualitys and character helped by proper and balanced use of recorded figures and ebv's to try to produce Texels which can do a job In Lamb, Shearling, and commercial markets.

We have had another very commercially consistent year once again selling over 60 Texels to a strong average. The half or full brothers to our sale gimmers have produced our best ever crop of prime lambs which are averaging almost £118 per head from cross and hill ewes.

We look forward to seeing one and all at the sale once again and will be delighted to have a blether with friends and customers old and hopefully new!!

FOREWARD

25 years ago when the 1st Select Seven sale started some of the old worthies were heard to say that it won't last and that in a few years time they will be getting sold in pens of five, how wrong they were! The sale since has gone from strength to strength and has instead been the forerunner for many others.

Our consignment this year are all tested ARR/ARR and have been mated to the rams that we think will best suit them. Their shearling brothers at KELSO averaged £4,350 for 14 with many going into pedigree flocks.

Having been runner up in the previous three years, we were delighted to win the Scottish Flock Competition in 2021.

We would like to thank all of our customers over the last 25 years and look forward to the next 25 years!

A 24,000gns joint purchase. He sired the Scottish National Show and Sale Champion this year and was a very consistent breeder for both flocks with his ram lambs winning a first and second and a daughter second in the ewe lambs at the GYS, this followed on from a second and two fifths at the RHASS with three different ram lambs! We think that the sale gimmers in-lamb to him will be great combination combining their power and carcase with his scale and character.

REFERENCE TO SIRES

CLAYBURY DUNKIRK DHL20 01651

Already a legend siring both shearlings and lambs to 52,000gns this year and lambs to 17,000gns last year. Purchased jointly in 2020 for 34,000gns, he ticks all the boxes breeding wise as well as starring in the show ring, winning 1st prize aged ram at the GYS this year. Uniquely he was used for the 3rd consecutive year in all original purchasers flocks

A 10,000gns joint purchase, he is one of the classiest, purest rams we have used, having tremendous character, colours, hair and skin. He sired our champion interbreed pairs and our male champion at GYS who was sold at Kelso for £17,000.

A 3,000gns purchase from the English National Sale, Worcester 2020, and what a bargain he has turned out to be siring our 26,000gns Earthquake and 5,500gns Eagerbomb. He has consistently left offspring with great skin and carcase that have proved easy to sell with shearling sons selling to 9,000gns this year.
