Drumadowney Texels was founded in 2014, we purchased foundation ewes from Fairmount, Forkins and Mullan flocks, this set us up with a good ewes to build our flock on. We purchased rams from some of the top bloodlines, Auldhouseburn, Milnbank and Drumgooland Aga Khan who has really left his mark on the flock!

Our gimmer show team this year were all Aga Khan Dams that we think have bred our best batch of gimmers to date!

It was great to get back to the show ring this year, we had good success across the board with all our stock, we won the ram lamb class at Ballymoney and he then went on to get reserve interbreed lamb champion! Our gimmers done great to at Ballymoney getting 2nd, 4th and 5th with the 2nd place girl going onto get reserve overall champion! Ballymena and Antrim shows we also got rosettes for some of the gimmers we have put forward for sale today!

Service Sire

Last year's Ballymena Babes was definitely one to remember with one of our lots topping the sale and selling for 4800gns and a full clearance and a good avg! We are so grateful to everyone that has purchased from us and hope the sheep have done well for you!

This year's service sires purchased was 20k Auldhouseburn Fandabidozi, 2k Cherrylea Fireball and a private purchase Seaforde Fast Track! Nearly all the gimmers are in lamb to the 20k Auldhouseburn Fandabidozi, he has grown into a serious lamb, a super top and end on him, he is gonna be a big sheep with loads of power!!

Templepark Texels was founded in 2009 starting with 6 ewes and has evolved over the years. Showing successfully at local show and sales. Best year to date was 2019 winning RUAS female and reserve female champion and reserve overall champion and many more championships at local shows. The sale which stands out is a ewe lamb sold to Mullan HKP1300425, known as the 'Herdman Ewe' which is grossing in over 100k and continues to produce currently.

All gimmers over £500 are insured for 3 months and are on heptavac p plus.

The Blackstown Texel Flock

The Blackstown flock was established in 1981. The ewes were selected for their confirmation and carcass quality and we have always striven to maintain these very important qualities. The Blackstown flock has won many major shows and sales including the NI Texel Premier sale supreme champion on three occasions. We have won the NI flock of the year competition on five occasions. In 2014 we won the male champion at RUAS and in 2017 we won the Volac ram lamb of the year.

We won the supreme champion at Balmoral 2018 with a Mullan Yeti gimmer. We also won Volac gimmer of the year and Volac ewe lamb of the year in 2018. More recently we had sold an Aulhouseburn Black Magic daughter for 5,000gns at Lanark and Knock Classic sons to 2,400 in 2020. In 2021 a gimmer sired by Knock Classic was female champion at the premier sale sold for 3,800gns. This successful year was rounded off by seeing the gimmer sold in 2020 to Sportsmans for 5,000gns breed a ram lamb that was sold for 14,000gns at Lanark.

All Blackstown females have been vaccinated with Enzovax, Toxovax and Bravoxin 10.

Scanning results available on day of sale.

We would like to wish all our fellow vendors and purchasers all the joy and success that we have enjoyed over the years breeding Texel sheep.

Enquiries and visitors are always welcome.

THOMPSONS

FEEDING INNOVATION

As lambing season nears, it's a good time to review dietary protein levels, since udder development and milk supply are particularly sensitive to protein nutrition.

If your forage is low in protein, feeding Thompsons' Super Hi-Lamb Ewe Nuts for the next 2-3 weeks will correct the protein shortfall at the critical stage of pregnancy, when there is a spurt in lamb development and the ewe requires key nutrients.

For further help and advice, contact Thompsons' Technical Team or your local sales representative.
