Drumadowney Texels

Firstly I would like to welcome you all to Ballymena Babes 4th annual sale!

Drumadowney Texels was founded in 2014, we purchased foundation ewes from Fairmount, Forkins and Mullan flocks, this set us up with good ewes to build our flock on. We purchased rams from some of the top bloodlines, Auldhouseburn, Milnbank and Drumgooland Aga Khan who has really left his mark on the flock!

We had another decent year at the shows, getting 3rd with a ram lamb and 6th with a ewe lamb at Balmoral, the ram lamb was sold at the premier sale to a pedigree flock!

Then at Ballymoney Show our ram lamb won his class and also got reserve champion. We had 3rd and 5th with gimmers who were retained, we have full sisters here for sale today.

Last year's Ballymena Babes we had another great sale topping at £2300 for Drumadowney Essence and a full clearance!

Auldhouseburn Fandabidozi 20k

It's also great to get new customers and repeat buyers which makes us really happy! We are so grateful to everyone that has purchased from us and hope the sheep have done well for you!

This year's service sires purchased is 20k Auldhouseburn Fandabidozi, who had grown into super shearling ram and bred tremendously well for us! Achieving second place shearling ram in the N.I. flock competition 2023. He sired our top price Ram lamb this year Drumadowney Gaffer who we sold at Carlisle for 1600gns. His ewe Lamb's are also gonna make super gimmers for next year's sale. We think so much of him we used him on nearly every sheep we have this year!

Our next service sire is 12k Rhaeadr Flashy Boy by kind regards from Mark Priestley letting us use him. He a serious smart sheep and look forward to seeing his progeny.

We also purchased privately from Garngour a ram lamb from one of his most consistent breeding lines with the flock, really looking forward to see his lamb's, he himself is a super carcassed lamb with a lovely head and outlook. Bred from 48k Sportsman's Daredevil.

All Drumadowney lots will be insured from the drop of the hammer for 3 months. On the heptavac p system, Enzo and toxo jagged and had a bolus to get them in the best shape for lambing!

We would like to take this opportunity to wish everyone a happy and prosperous New Year and hope all your purchases are lucky and breed something special for you!

Titanium Texels

Firstly I'd like to welcome you all to the Ballymena Babes sale!

I started my flock Titanium Texels in 2020 and bought foundation ewes from Rhaeadr, Milnbank, Garngour and my dad gave me a couple of ewe lamb's from the best line's at Drumadowney.

Our first Ballymena Babes was a great sale, we sold last year's show gimmer and the Dam of 3 of our ewe lamb's in the N.I Texel flock competition. She was sold to 2 pedigree flocks and we look forward to seeing how she breeds for them.

We only have a small number of gimmers for sale this year but we think they are a good consistent batch.

We also had some success at a few of the shows we done, getting 7th at Balmoral with a ram lamb who later got 3rd at the premier sale in the young Breeders class.

The ram lamb also got 2nd at Cogher Valley show and we got 3rd with a ewe lamb.

At the N.I Texel flock competition we got 2nd small flock of ewe lamb's all bred by 20k Auldhouseburn Fandabidozi our main service sire this year, he was also placed 2nd in the shearing ram class.

We would like to take this opportunity to wish everyone a happy and prosperous New Year!

Templepark

The Templepark flock was established by Willian & James Herdman in 2009 with the aim of producing texel sheep with exceptional skins & carcase whilst maintain breed character and flash.

Over the years the flock has picked up many accolades and has produced females which have went onto breed for some of the best flocks including the famous 'Herdman Ewe'.

2023 has been a successful year in its own right, with the flock picking up top honours at shows including 1st prize ewe lamb and 1st & 2nd prize ram lambs at Balmoral. The flock also picked up reserve champion.

Our local show being Lurgan was also very successful and as well picking up best female and female champ the flock won interbreed pairs also.

The flock offers in this sale the chance to buy some of our very best genetics and we would like to wish everyone the best of luck with their purchases.

Lot 31

Poseyhill

Poseyhill flock was established in 2005 since then we have been named among those claiming rosettes in the last number of years.

After lambing in 2021 we retained a number of the best ewe lambs sired by Glenside Veegee, Dynawhite Dynamite, Harestone Cool Kid and Hexel Born To Be Wild, as you will see in the catalogue. It is now their time to shine. These hogget's are not pushed, they are prepped in a way that I myself would be happy to lamb them, and I can guarantee that they will continue to grow after lambing into big sheep. Always striving for improvement.

The Blackstown Texel Flock

The Blackstown flock was established in 1981. The ewes were selected for their confirmation and carcass quality and we have always striven to maintain these very important qualities. The Blackstown flock has won many major shows and sales including the NI Texel Premier sale supreme champion on three occasions. We have won the NI flock of the year competition on five occasions. In 2014 we won the male champion at RUAS and in 2017 we won the Volac ram lamb of the year.

We won the supreme champion at Balmoral 2018 with a Mullan Yeti gimmer. We also won Volac gimmer of the year and Volac ewe lamb of the year in 2018. More recently we had sold an Aulhouseburn Black Magic daughter for 5,000gns at Lanark and Knock Classic sons to 2,400 in 2020. In 2021 a gimmer sired by Knock Classic was female champion at the premier sale sold for 3,800gns. This successful year was rounded off by seeing the gimmer sold in 2020 to Sportsmans for 5,000gns breed a ram lamb that was sold for 14,000gns at Lanark.

All Blackstown females have been vaccinated with Enzovax, Toxovax and Bravoxin 10.

Scanning results available on day of sale.

We would like to wish all our fellow vendors and purchasers all the joy and success that we have enjoyed over the years breeding Texel sheep.

Enquiries and visitors are always welcome.

Wishing every success to sellers and purchasers at Ballymena Babes Sales 2024

At Gleno Vets we provide a service for farm animals and pets. We have dedicated large animal facilities at the practice, where we can carry out lambings and caesarean sections. We also have a separate room for cattle treatments, including lameness investigations and a specialist crush in which we can perform cattle caesareans.

Your flock and herd health is important to us and we are happy to provide fluke and worm egg counts, cattle pregnancy scanning, ram fertility testing, ram vasectomies, advice on vaccination programmes and much more.

Our dedicated team carries out our own out of hours emergency service.
