### Curley & Cherrylea texels

The Curley flock was established 2000 with the Cherrylea flock established 2021. We strive to produce quality texels for the commercial and pedigree markets.

Females sold from the flock previously have regularly went on to be successful for the purchasers. Some of these include the ewe lamb sold privately to Oberstown who went onto breed Usain Bolt who needs no introduction to the texel world. Supreme champion Ballymena Premier sale 2019 for Seamus McCloskey bred by a Curley ewe. The 4k Curley Boudicca sold at the Gems 2019 to Ballyhivistock Texels produced 2 tup lambs retained for breeding within the flock and went onto win the flock competition in the ages ram class.

Our gems consignment 2023 topped at £3200 with 3 sisters avg £2300 we're very excited to offer 3 of our top ewe lambs this year from the same family and all by the 20k fandabidozi.

This year Curley & Cherrylea gimmers are sired by proctors cocktail and sportmans dare devil with 2 sisters to the 8k For I'm the man forward for sale

All gimmers are in lamb to the new joint purchase lylehill gunshot purchased jointly for £4800 and Auldhouseburn Fandabidozi purchased for 20k.

All gimmers are Heptavac P system and have been vaccinated with Enzovax and Toxovax.

We would like to wish buyers every success with their purchases.

Enquires and on farm viewing welcome.

## **Corbo Texels**

The Corbo flock was established in 1998 and due to an extensive ET work we are able to fulfill this sale with gimmers and ewe lambs from the best breeding lines within the flock.

Can I welcome Whitepark as our guest.

This year the Corbo flock has 2 gimmers and 6 ewe lambs. The 2 gimmers are both by the 20k Alderview Explosive who bred lambs to 15k, and are in lamb to the exciting new purchase the 15k Mullan Game Changer.

We have possibly our best consignment of ewe lambs offered for sale mostly by 32k Hexel Fan Club, and from the best dam's within the flock.

All gimmers and ewe lambs are on the heptavac P system and have been vaccinated with Enzovax, Toxovax.

We would like to wish buyers every success with their purchases.

Enquires and on farm viewing welcome:

Adrian: 07766146624.

### **Kiltariff flock**

Established in 1985, foundation ewes were selected on sound commercial traits and breed character, principles which we have continued to focus on over the years. Our flock has had success at many shows and sales over the years, including the NI Premier Sale Supreme Champion twice in the past 10 years and also Reserve Champion in the NI Flock Competition. 2023 has been a successful year topping out at 7500gns for Kiltariff Goldenboy sold at Ballymena in September.

Our 2023 Gems consignment includes a selection of females which normally would not be offered for sale, however given the introduction of a new poultry enterprise on the farm, we reluctantly are reducing the Texel flock numbers. We are offering a handful of aged ewes from the heart of the flock with the pick of the shearling ewes and a number of ewe lambs.

All sheep are on the Heptavac P system of which their booster is now due. Ewes and gimmers are vaccinated with Enzovax & Toxovax

Johnny Bell

## **Straidarran Texels**

Firstly I would like to extended a warm welcome to our guest's Largy & Whitepark texels.

Straidarran Texels have this year forward 8 strong gimmers from the best bloodlines in the flock.

The Straidarran Flock was established in 1996 with foundation ewes purchased from Springwell, Ettrick & Cambwell flocks.

Throughout the years the flocks objective has been to breed tups for the commercial and pedigree breeders. Since the flocks establishment our most recent sale success include Straidarran Legacy (6500gns) Legacy was Grand sire to the notable Baltier Nailer. Straidarran Maverick (10,500gns) Maverick sire of Tophill Nockout. Straidarran Obama (4500gns). Straidarran Ranger (1600gns) Ranger sire of 46,000gns Foyleview Superstar. Straidarran Ulysses (1800gns). Straidarran Wolfman (1600gns). Straidarran Casino (2000gns) Straidarran Eldorado (1700gns).

## **Whitepark Texels**

Whitepark Texel flock began in 2003 and strived to produce Texels for both the commercial and pedigree market. Foundation ewes purchased from the Ballynahone, Forkins and Tamnamoney flocks. Over a number of years, we have gathered momentum in showing and flock competitions and regularly selling across the water achieving prices of £2-£5K for our ram lambs.

We are thankful and excited for the invitation to sell as a guest consignor at the January Gems this year. We possibly have our best batch of gimmers to offer for sale, mostly going back to a foundation ewe purchased from Ballynahone who has consistently bred and sold to £3500, and a ewe purchased privately from Cowal. This year's gimmers are all sired by Rhaeadr Edge, a Daredevil son purchased privately and Garngour Emerald.

Gimmers are all scrapie monitored, vaccinated with Enzovax and Toxovax and on the Heptavac-P system. All gimmers insured for 3 months.

Wishing all the purchasers the best of luck with their new additions and wishing you all a Happy New Year

Enquiries welcome, please contact Sam on 07803077633.
