Sale Schedule

Sunday 22 nd September	
12:00 – 15:00	NSA Inspection
13:00	CTF EID Reading <i>All sheep must have their neck tags on to enable individual sheep identification. All sheep must be read on the Sunday afternoon.</i>
16:00	Pre Sale Show to commence
Monday 23 rd September	
10:30	Sale in Shearling Ram & Ram Lamb rings to start
12:00	Sale in Females ring to start

Pre-Sale Show Classes – Judge: Ben Wight – Midlock Flock

One entry per class per vendor, and sheep may only be shown in one class.

Class	1 st	2 nd	3 rd	4 th	5 th	6 th
SHEARLING EWE						
EWE LAMB						
SHEARLING RAM						
TEXELPLUS SHEARLING RAM						
RAM LAMB						
TEXELPLUS RAM LAMB						
Male Champion						
Reserve Male Champion						
Female Champion						
Reserve Female Champion						
Reserve Champion						
Supreme Champion						

Best Pen of Shearling Rams and Best Pen of Ram Lambs

Judge: Gareth Morgan, Llanfynydd, Carmarthenshire

There is no requirement for vendors to enter the classes, all eligible pens will be judged accordingly.

Best Pen of Shearling Rams <i>must consist of more than <u>six</u> shearling rams</i>	Best Pen of Ram Lambs <i>must consist of more than <u>three</u> ram lambs.</i>

Texelplus Shield awarded for the best pen average of performance recorded shearling rams, post event

CONDITIONS OF SALE

All sheep will be sold under the Auspices of the Texel Sheep Society and the Conditions of sale relevant to individual sales. These can be viewed at texel.uk/societyrules

Auctioneers also display copies of the Conditions of sale within the auction house.

DISCLAIMER

The pedigree, performance, genomic information stored by the Society in the iTexel database and published on society pedigree certificates, reports and general publications is as supplied by, or on behalf of the breeder. The responsibility for the accuracy of the information therefore rests solely with the breeder and not with the British Texel Sheep Society Ltd (BTSS).

Health information and footnotes that are stored in iTexel and published in sales catalogues produced by the society, is supplied by or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Texel Sheep Society Ltd (BTSS).

Performance data and breeding values change over time as new data becomes available.

Whilst every effort is made to ensure accuracy of the information contained in society reports and publications, no responsibility can be accepted by the Society for any errors or any reliance on the use of information. No warranty is given in respect thereof by the BTSS and, to the maximum extent permitted by law, the BTSS have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained or omitted from BTSS publications.

Members are reminded of Bye Law 11.6

No dressing, trimming, clipping of the fleeces, or eye lashes of sheep will be permitted. No artificial whitening on any part of the sheep is permitted. An inspector may be present at the sale or show, they have the authority to disqualify any sheep, which in their opinion, are below a minimum standard with regard to breed type or are found to be contravening the Society Byelaws, right up to the point of sale. The decision of the inspector shall be final and failure to accept the inspector's decision will result in the entire consignment being rejected.

SCRAPIE MONITORING SCHEME (SMS)

This event will be operated as a 'un-segregated' sale therefore any sheep from SMS flocks will need to meet the SMS rules in regard to ARR/ARR scrapie genotypic certification.

Members are reminded that if they bring animals to this event which do not have the certification, they will be unable to return with them without risking their flock health status. This is the responsibility of the members.

SALE COMMISSION 6% (NSA 5% and Texel Sheep Society 1%)

ALL SHEEP MUST BE ACCOMPANIED BY AN MV ACCREDITED CERTIFICATE

The Texel Sheep Society provides data collection and performance reporting services to its membership. From 2024, the service and evaluation combines pedigree and genomic data to provide indexes that are simple to use and understand.

In simple terms: higher value = more profit per lamb

The texelplus economic indexes support the breed's development with an increased focus on commercial traits and profitability. The **TERMINAL** and **REPLACEMENT INDEXES** reflect the breed's influence on industry. Both are presented as the potential extra profit per lamb born in a commercial setting, compared to the population baseline.

Index	Average	Top 25%	Top 10%	Top 5%	Top 1%
Terminal Expected change in profit per terminal lamb born	£3.75	£5.01	£6.14	£6.82	£8.10
Replacement Expected change in profit per replacement lamb born	£4.26	£5.64	£6.88	£7.62	£9.01

The **TERMINAL INDEX** supports increased profitability through improving prime lambs and is weighted strongly for meat production. The **REPLACEMENT INDEX** includes additional maternal traits to optimise production of female replacements.

Commercial producers solely producing prime lambs should use the **TERMINAL INDEX** to inform their selection; however, those retaining female replacements should use the **REPLACEMENT INDEX**.

Sub-indexes underpin the indexes to provide more information on the relative values and ranking of animals for growth, fat and muscle weight, and reproduction.

An example

High ranking rams deliver over £4.50 per lamb more than lower-ranking rams. Over a ram's working lifetime, this is easily worth an extra £690 per ram; generated through shorter finish times and improved carcass quality.
