CONDITIONS OF SALE

Auctioneers also display copies of the Conditions of sale within the auction house.

DISCLAIMER

The pedigree, performance, genomic information stored by the Society in the iTexel database and published on society pedigree certificates, reports and general publications is as supplied by, or on behalf of the breeder. The responsibility for the accuracy of the information therefore rests solely with the breeder and not with the British Texel Sheep Society Ltd (BTSS).

Health information and footnotes that are stored in iTexel and published in sales catalogues produced by the society, is supplied by or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Texel Sheep Society Ltd (BTSS).

Performance data and breeding values change over time as new data becomes available.

Whilst every effort is made to ensure accuracy of the information contained in society reports and publications, no responsibility can be accepted by the Society for any errors or any reliance on the use of information. No warranty is given in respect thereof by the BTSS and, to the maximum extent permitted by law, the BTSS have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained or omitted from BTSS publications.

The sale will commence at 1 p.m. The sale will be under the Sales Conditions of Hereford and Bulth Market Auctioneers under the auspices of the Livestock Auctioneers Association. Copies are available from the Auctioneers and will be displayed at the sale. All the sheep will be sold in guineas (105 pence) and strictly in catalogue order.

SCANNING RESULTS All ewes will have been scanned and results will be available on sale day. This in no way guarantees the number of lambs at birth. If any female sheep which is described in the catalogue or at the time of sale as being “scanned in lamb” or in lamb proves not to have been in lamb at the sale and within 7 days after the day of sale the Purchaser gives written notice to the Auctioneers of his intention to return the animal supported by a Veterinary Surgeon’s certificate that such sheep has proved not to have been in lamb then the purchaser may return such sheep to the Vendor.

PEDIGREE CERTIFICATES & SCRAPIE GENOTYPE CERTIFICATES Pedigree Certificates will be available at the Auction Mart Office on the day of sale, together with Scrapie Genotype Certificates. All sheep in the sale are Full Pedigree Registered.

ONLINE & TELEPHONE BIDDING The Sale will be streamed on-line via Auctionmarts auction platform. Full details will be available closer to the sale date. For further information regarding online bidding, please contact Rory Matthews on 07983 465226. The auctioneers accept no responsibility for issues regarding signal and connection and recommend that any potential purchaser have contingency plans in place. The Auctioneers will also be able to arrange telephone bids on the day, please contact Rory Matthews on 07983 465226.

The Texel Sheep Society provides data collection and performance reporting services to its membership. From 2024, the service and evaluation combines pedigree and genomic data to provide indexes that are simple to use and understand.

In simple terms: higher value = more profit per lamb

The texelplus economic indexes support the breed's development with an increased focus on commercial traits and profitability. The **TERMINAL** and **REPLACEMENT INDEXES** reflect the breed's influence on industry. Both are presented as the potential extra profit per lamb born in a commercial setting, compared to the population baseline.

Index	Average	Top 25%	Top 10%	Top 5%	Top 1%
Terminal Expected change in profit per terminal lamb born	£4.08	£5.33	£6.46	£7.13	£8.40
Replacement Expected change in profit per replacement lamb born	£4.72	£6.10	£7.34	£8.09	£9.48

The **TERMINAL INDEX** supports increased profitability through improving prime lambs and is weighted strongly for meat production. The **REPLACEMENT INDEX** includes additional maternal traits to optimise production of female replacements.

Commercial producers solely producing prime lambs should use the **TERMINAL INDEX** to inform their selection; however, those retaining female replacements should use the **REPLACEMENT INDEX**.

Sub-indexes underpin the indexes to provide more information on the relative values and ranking of animals for growth, fat and muscle weight, and reproduction.

An example

High ranking rams can deliver over £4.50 per lamb more than lower-ranking rams. Over a ram's working lifetime, this is easily worth an extra £690 per ram; generated through shorter finish times and improved carcass quality.

MONNOW HILL

We are so delighted to be welcomed for the first time this year to Bulth Babes. It's a wonderful experience to be together with our fellow Texel breeders and share our passions for this brilliant breed.

We are a family flock who works together to bring you these sheep for the sale. We enjoy the challenge that the Texels bring (as I'm sure you are all aware) and love to learn from our experiences. As we were only established back in 2020, we are enjoying all of this fun and progress that we wish carry on as we grow.

Alan was a Pedigree Texel breeder back when it first started and this is the reason he loves the flock so much as he has seen the breed grow to what it has become today. Along with this, he is now able to enjoy this with his family and friends and love all the good and the not so good that comes with breeding sheep again.

At this sale, we bring you our ewes from a variety of different bloodlines and are demonstrating the ability of our flock. Information is below.

Our flock runs on mostly on grass fields at the farm with foraged crops through winter to ensure the x bred ewes and ewes have the best experience. As the farm is family run, there is always someone around to keep an eye on the flock. We maintain the flock on a regular basis to make sure they are as contented as they can be.

We feel these ewes are a great selection to bring you this year at Bulth Babes and wish all purchasers the best of luck in the future.

Flock Health:

- Our farm and flock is MV Accredited along with all the locations they may travel to.
- All ewes have been scanned and results are given below.
- We use Bravoxin & Ovipast and they have been injected prior to the sale.
- All ewes wormed - Chanavarm 7.5%
- All ewes mineral drenched - Premier Sheep & Copper Drench (JG Animal Health)

Hexel Geronimo II (Service sire for all ewes)

Purchased jointly for 24,000. Out of 32,000 Hexel Fan Club. Sired lambs to 45,000, 40,000 and 22,000gns including the Male and Overall Scottish National Show Champion 2024.

Glenside Forever II

Purchased jointly for 100,000gn, a modern ram with an outstanding top, shoulder and skin. He's grown into a lengthy shearling ram whilst retaining his features through and through. His dam, who is by UskVale Captain Billy, is one of the best dams we've seen. His sire is Seaford Empire King 7000gn. This ram has sired impressive ewe lambs of 12,000, 10,000, of which were part of an average of about £4,000 and awards such as Royal Three Counties Show Reserve Female Champion.

HATHREN

It is a privilege to be part of the Bulth Babes consignment for 2024.

Both of the Hathren entries formed part of the Champion Gimmers and Reserve Overall Champion Flock at the Dyfed Texel Breeders Club Flock competition 2024.

Foremost x Dance Monkey breeding is one that has brought many successes including first prize ewe lamb NSA 2023 selling for 1,000gns. We eagerly await the Foremost x Gate Crasher progeny.

Service sire Knap Gate Crasher 8,000gns joint purchase with Aman at Lanark has sired lambs to 2,000gns at NSA 2024, as well as winning the Texel Plus class at the NSA and securing Champion Texel at Pembrokeshire Show on his only outing prior to NSA.

CLANFIELD

Welcome to our 2024 Clanfield Texel entry's

It's been an incredible year for us, with highlights including being named Champion Flock of the Gloucester & Borders Texel Club and winning Champion Junior Stock Ram at the National Flock Competition.

We also had an unforgettable time at the Royal Welsh Show, where we won all female classes, took the Supreme Championship with a homebred gimmer, and saw our ewe lamb crowned Interbreed Ewe Lamb Champion.

This year, we are offering five top-quality gimmers from the very best of our female lines. These gimmers have been sired by two exciting new rams:

- Holtridge Honky Tonk, valued for his lift, bone, and power.
- Okehall Hotshot, who has developed into a ram full of style and presence.

We're delighted to share these gimmers and their potential with you. Thank you for your interest, and we wish all buyers every success with their purchases.

Wishing you a Merry Christmas and a successful New Year,

James & Harley

Aman

All Wales Champion flock 2018 & 2023

The entries for this year's sale are drawn from the fine group of ewe lambs that helped us win the All-Wales title last year.

They include two strapping daughters of our 606 ewe. Her sons have sold to 5,200gns and she herself, on her first show outing as a six-year-old, was Reserve Champion in the Dyfed Club Show in Llandeilo.

Also forward are the last daughters of Knap Angus Ogg. He did a tremendous job for us, especially producing quality breeding females. He played a leading role in both of our All-Wales wins.

We pride ourselves on producing sheep with excellent tops and ends. We were delighted therefore that lambs from our senior stock sire Knap Gate Crasher were champion carcass in Llangadog Show and Champion Liveweight Lamb in Llandeilo show. This is performance you can see.

We were also delighted to secure Gangour Harvey in Lanark. He is by the renowned conformation ram Brackenridge Fly Half, out of Garngour's famous Great Yorkshire Show champion.

We wish our customers all the best with their purchases, a Merry Christmas and a Happy New Year. Nadolig Llawen a Blwyddyn Newydd Da.

THE BRAND OF QUALITY

GIVE THEM THE BEST START

Bibby's ewe feed ranges contain only the highest quality ingredients to maximise ewe performance and give lambs the best start in life.

Actisaf® live yeast supports rumen function, drives feed intakes and improves energy supply to the ewe. This results in up to 20% higher milk yield, reduced risk of acidosis/digestive upset, smoother diet transitions and lower levels of circulating ketones - a key indicator of negative energy balance or twin lamb disease.

Safmannan® is rich in specific beta glucans and mannans which support the immune system and bind to certain pathogens, resulting in:

- Up to 25% higher IgG levels in colostrum
- Immunity support for the ewe
- Improved lamb performance later in life

For further details contact your Bibby sales specialist or our Carmarthen office on 01267 232041.

AULDHOUSEBURN

We are delighted to be back at Builth Babes this year, amongst some of the top flocks in Wales. We are now into the year of daughters of 130k Haymount Fan Dabi Dozi and 50k Okehall Fireball, whose sons sold successfully for us last year to 42k and 30k respectively. We also have a daughter of 350k Sportsmans Double Diamond forward, which will be the last direct Double Diamond daughter that we sell. We have twelve gimmers forward in total, almost all in lamb to two of our new stock sires, 20k Mellor Vale Hercules and 8k Milnbank High Voltage, with the Double Diamond daughter in lamb to Scholars Governor - sire of our 65k lamb in Lanark this year! Gimmers we have sold previously have went on to great achievements, including breeding two sons at six figures, and we hope that today's follow on to their own successes!

All our gimmers are luckpenny insured and in the heptavac P scheme. For any queries before the sale ring Alan on 07809488555.

THORNBURY

We are delighted to be part of the Builth Babes sale again this year!

Thornbury texels was established in 2017, with the purchase of top females from flocks such as Plasucha, Knap, Rhaeadr, Auldhouseburn. We strive to produce structurally sound, easy fleshing sheep with carcase, style and skins.

2024 has been a good year for the flock topping at 3800gns and 3000gns for tup lambs and 2750, 2500 x2 and 2000 x3 for females.

All gimmers offered were clean shorn in April. All are on Hep p+ system, Toxovac'd and mineral drenched.

We wish everyone the best of luck with their purchases and hope they do well for you.

Anyone unavailable to make the sale is more than welcome to come view beforehand by app.

Glenside Forever

Main Sire of our gimmers. Purchased jointly for 100k. Very good female breeder having bred females to 12k & 10K. Ewe lamb was Reserve female champion for us at Royal Three Counties 2024.

Uppermill Hollywood star

Purchased Lanark 2024.

Massive lamb with great topline and lift.

Lovely white hair. Dam also bred Uppermill Fury 11k.

Ettrick Grey Goose

42k joint purchase Lanark 2023. Main service sire to gimmers & sire of ewe lambs.

ET Brother topped Kelso shearlings at 35k.

Bred 3 of the top 5 prices at Worcester tup lamb sale and top price Welshpool and Reserve interbreed tup lamb at RWAS.

Superb breeder of females with his ewe lambs successfully shown for us this year including 2nd, 3rd and 6th at the RWAS.

CLAYBURY

Champion Flock Shropshire & Borders Texel Club 2024

&

***Champion Ewe Lambs National Flock
Competition 2024***

Claybury Texels will have forward: ***5 Yearling Ewe & 5 Ewe Lambs***

We feel these are a great team to bring TO THE 4TH Builth Babes Pedigree Texel In Lamb sale. Some very exciting individual's within them. All the gimmer's will be in lamb to our exciting purchase Wedderburn Highlander purchased for 12,000gns Lanark 2024.

Claybury Texels was established back in 1991 with the purchase of 2 in lamb ewes with the primary aim to produce top quality commercial rams to sell at the local club sales and privately. We never dreamt that back in 2002 we would break the ram lamb record where we sold Claybury Istabraq for 88,000gns and more latterly the ewe lamb record at 8,500gns. Subsequently both records have since been broken.

We have had recent success in the show and sale ring. Selling Claybury Basic Instinct for 30,000gns at Carlisle & Claybury Dunkirk for 34,000gns in 2020 at the Lanark Premier Sale. Dunkirk has proven to be a influential breeder selling ram lambs to 52,000gns and Yearling rams to 52,000gns. Subsequently we have put forward relations as part of this sale.

We try and run the sheep as commercially as possible on a grass based system with forage crops used over winter to supplement the ewe lambs and x bred ewes.

We feel these are a fantastic bunch of yearlings and ewe lambs. We are confident that these females on offer will offer something for everyone and should make a useful genetic contribution to any breeder and could be an outstanding base for any new flock within the Texel breed.

Flock Health Status:

We have always practised a preventative health plan:

- Part of the Texel Plus Recording scheme and all lambs weighed & ultrasound scanned at 12 weeks old
- On the Hep P system- received 2nd September 2024 (due booster 4 weeks prior to lambing)
- Yearling Ewes received Toxovax – 20th July 2024
- MV Accredited
- Scrapie Monitored
- Lambs Scabi-Vac – approx 48 hrs after birth
- Yearling Ewes and Ewe Lambs Wormed: Combinex 14th September & 20th September
- Yearling Ewes Mineral Bolused prior to tupping 2nd September 2024

We wish all the prospective purchasers the very best of luck with the purchase of any Claybury Stock.

Look forward to seeing you at the sale.

Service Sire:

Wedderburn Highlander

Purchased jointly for 12,000gns Lanark 2024. He was also Reserve Male Champion at the RHAS 2024.

BLAENCAR

We are delighted to be back at Builth Babes again this year.

2024 has been a good year on the show and sales front having been awarded the Champion Texel flock within the South Wales Club.

The yearling ewes for sale were part of the winning group of gimmers in the South Wales Club competition and include a full sister to our ewe lamb that was Female Champion and Overall Reserve Texel Champion at the 2023 Royal Welsh Show.

All ewes are in-lamb to Blaencar High Spec, a long, powerful ram that we retained and full brother to the first prize ram lamb at the NSA which later sold for 4,200gns.

We wish purchasers the best of luck with the ewes.

TREFEG

Firstly, we'd like to thank all current vendors for being invited to the Builth Babes sale!

These (we think) are the strongest 3 ewe lambs which we have ever bred, all sired by the £6,500 Duhonw Dynamo purchased in NSA ram sale as a shearling in 2021, he is sired by the £29k Garngour Awesome.

Dynamo is also ARR/ARR, G/G Resistant.

The dam of the 3 sisters, purchased from the Usk Vale flock in the 2021 Builth Babes' sale. A massive, long ewe sired by the £34k Strathbogie Ya Belter, her progeny has been placed in the top 5 in all local and premier shows we have attended.

Health Status:

- Heptavac P Plus- twice as lambs, booster received: 20/8/24
- Latest Farmsense Maxi Gro received: 16/11/24
- Triclacert 5% Fluke drench: 13/10/24
- Zolvix wormer: 14/10/24
- Maedi Visna Accredited.

We'd like to thank Builth Babes organisers, everyone for attending the sale, and Rory from Sunderlands.

We look forward to seeing you on the 22nd of December.

Jamie Woosnam.
