DicksonGroup Insurance Brokers, proud sponsors of the December Dazzlers Sale 2024.

A very warm welcome to all of you at the December Dazzlers Sale, we believe that there will be a tremendous offering of in lamb Texel Gimmers, and empty ewe lambs as well as some in lamb recipient ewes. We are delighted that on this occasion we can straddle both our farming commitments and our insurance broking business. Dickson & Co Insurance Brokers have been trading for over 32 years and last year acquired the Kerr Group and added it to our family of businesses, increasing our branch network, in Northern Ireland, to 17. Since acquiring the Kerr Group, we have rebranded the entire business as DicksonGroup. Throughout our years in business farm and farm motor insurance have both been leading products for us. The Dickson family farm 300 acres in West Tyrone and activities on the farm include a birth to bacon pig enterprise, purebred Jersey dairy herd and our flock of pedigree Texel's. Being active farmers, we are well placed to advise farming clients in respect of their insurance requirements.

In respect of all farm and farm motor insurance enquires contact our specialist Rural team which is based at our Omagh office and led by Stephen Dickson. The team can also be contacted by email at Rural@dicksongroup.com for general insurance enquiries contact any of our 17 - office branch network, call on 02882 251241 or email info@dicksongroup.com

We also have two branches in the ROI. Our business in Southern Ireland trades under Dickson & Wilson Insurance Brokers.

We wish all exhibitors a successful sale and the purchaser's good luck with their new stock. Ashley Dickson, Managing Director of DicksonGroup.

Lonicera Flock

Foreword

The Lonicera Texel Flock was established in December 2014 following the purchase of some in lamb Gimmers from the Springhill annual female sale. Since then, we have continuously striven to improve the flock with the regular purchase of females from some of the best breeding families from prestigious flocks such as Auldhouseburn, Milnbank, Procter's, Ettrick, Rhaeadr, Hexel, Mullan, Teiglum, Hilltop and Mellor Vale.

We are pleased, once again, to be part of the December Dazzlers Sale, especially as our Insurance Brokerage, DicksonGroup Insurance Brokers, remain the main sponsors. We have chosen 14 in lamb gimmers from some of our top breeding families. This year we our sheep are all in lamb to the same service sire Hilltop Golden Eye, who is a son of Auldhouseburn Fancy Pants. Hilltop Golden Eye was purchased in Lanark in 2023 and has bred lambs to £18,000 already with most of the lambs sold from him going to pedigree flocks. This is the first batch of gimmers that will be offered for sale in Northern Ireland that are in lamb to Hilltop Golden Eye.

For the first time ever, we are offering some in lamb recipient ewes. This will give you the chance to get your hands on the breeding lines that we will have in the flock next year. These recipient ewes are in lamb to two of the best breeding ewes in the flock.

We also have 6 ewe lambs on offer that we are very pleased with, most of these lambs are March born and out of Hilltop Golden Eye. The flock is Scrapie Monitored, and all stock are on the Heptavac P system and vaccinated for Enzo and Toxo. We wish all buyers every success with their purchases, Happy Christmas and a successful New Year.

Corbo Flock

Foreword

The Corbo flock was established in 1998 and due to extensive ET work we are able to fulfill the December Dazzlers sale with sheep with the best breeding lines within the flock.

Thanks to the Dickson family for asking me to participate in their sale. Corbo flock consists of gimmers sired by 32k Hexel Fan Club who had bred lambs to 26k and 20k and bred the all-Ireland female champion, both in lamb to the exciting new purchases this year - 18k Oberstown Hercules and 10k Ballymena champion Forkins Hawkeye.

Ewe lamb is sired by 15k Mullan Game Changer who has bred lambs to 10k. Gimmers and ewe lambs are on the Heptavac P system and have been vaccinated with Enzovax and Toxovax. We would like to wish buyers every success with their purchases.

Carmavy Flock

Foreword

The Carmavy Flock, founded in 1994, has become well known across Ireland and mainland UK and recognised for its contribution to the pedigree texel breed and commercial sheep industry selling to Scotland, England, Wales, Isle of Man, Northern and Southern Ireland breeders.

We lamb our Texel ewes at the beginning of February with most ewes lambed by mid-March so they can meet readiness for pedigree and commercial ram sales from August onwards. Selling at home, at local club sales and up until recently at Lanark and Carlisle. This has been their sales routine over the years

Carmavy flock have enjoyed many champion and reserve championships in the show ring, in individual and group classes. We have received Champion and Reserve Champion at Saintfield Show and Best Group of 3 at Lurgan Centenary Show. Carmavy have received the Texel Reserve Champion at RUAS Balmoral.

In 2022 during Covid we won many places in the Irish Shows Association Virtual show and won the champion pedigree sheep honour.

Carmavy Flock have won the Medium sized flock competition in 2022 & 2023. We have been placed in the prize pen of 6 lambs on many occasions.

Carmavy Texels are a Scrapie Monitored flock. All animals are on Hep P System and are Enzo and Toxo vaccinated.

Glenroe Flock

Foreword

The Glenroe flock is delighted to be part of the December Dazzlers sale and a special thanks to the team.

The Glenroe flock was established in 2014 and is a Scrapie Monitored flock. All sires are ARR/ARR and are recorded on Sheep Ireland System.

We believe these are some of the best ewe lambs we have produced.

We wish our buyers good luck with their purchases and hope they go on to produce something special.

Finally, we wish everyone a Merry Christmas and a Happy New Year.
