DISCLAIMER

The pedigree, performance, genomic information stored by the Society in the iTexel database and published on society pedigree certificates, reports and general publications is as supplied by, or on behalf of the breeder. The responsibility for the accuracy of the information therefore rests solely with the breeder and not with the British Texel Sheep Society Ltd (BTSS).

Health information and footnotes that are stored in iTexel and published in sales catalogues produced by the society, is supplied by or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Texel Sheep Society Ltd (BTSS).

Performance data and breeding values change over time as new data becomes available.

Whilst every effort is made to ensure accuracy of the information contained in society reports and publications, no responsibility can be accepted by the Society for any errors or any reliance on the use of information. No warranty is given in respect thereof by the BTSS and, to the maximum extent permitted by law, the BTSS have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained or omitted from BTSS publications.
