FOREWORD

The Doonguile Flock of pedigree texels has been breeding top quality commercial shearling tups for over twenty-five years. Their two main pens of tups sold at the Shropshire & Borders Club Shrewsbury and Welshpool sales have featured in the top two to three pen averages for over a decade, culminating in winning Champion pen at Welshpool in September 2023. The flock is the club flock competition CHAMPION FLOCK 2025.

We have always concentrated on skins and carcasses, to fulfil the requirements of many repeat commercial customers, and have had several rams go into other shearling breeding pedigree flocks in the last few years. Due to pressure of numbers, we are offering a selection of shearling ewes from across the flock for sale.

All the senior stock tups have bred shearling rams to over a £1,000 regularly, and a top of £2,700.

All stock tups that we have used latterly have been screened by the British Texel society and are microphthalmia resistant, and the flock is MV accredited. All of the ewes are on the Heptevac-P system and have been vaccinated against Enzovac and Toxovac abortion in June. They are also on the Footvax system and were vaccinated for bluetongue with bultavo in June.

Doonguile Dram was a homebred son of Clun Yardstick who we retained due to his outstanding scale and carcass. Dram's first crop of rams in 2023 contained ten shearlings in the Shrewsbury pen which averaged £1,005. He has bred sons to 2500gns and daughters to 2000gns.

Brijon Chieftain is a Pant Wolf son and has been a very influential ram for us consistently breeding skins and carcass with sons to 2000gns and females to 1900gns.

Doonguile Dazzler is also a Clun Yardstick son out of an outstanding Proctors Singlemalt ewe. He has bred sons to 2500gns and daughters to 2300gns.

Doonguile Glenmorangie was a son of Doonguile Drams used as a lamb. His first crop are amongst this years shearlings and he has already had a son in the 2025 Shrewsbury pen at 1300gns. He was sold in the 2024 Welshpool pen for 2500gns.

Millend Explosive has bred sons to 1550gns and females to 1100gns.

Empire Dynamite has bred sons to 1180 gns and females to 1400gns. Dynamite has a lot of good daughters retained in the doonguile flock who are already breeding sons to 1400gns.

Doonguile Forrester is a son of Morwood Endeavour who bred females to 1750gns. Forrester has had sons to 1620gns.

Clun Freelanders also has his first crop in the 2025 shearlings but has already topped the Shrewsbury pen with a son at 1800gns.

All sheep are registered pedigree & MV accredited. Toxovac, Enzovac, Bultavo BTV, Heptavac P & Footvax.
