| | Flock Name & Breeders Name |
|---|---|
| OVERALL CHAMPION FLOCK | M Lear - Sidborough |
| RESERVE CHAMPION FLOCK | L Winsor - Plantfield |

*Secretary's Notes*

"*This year's South West Texel Club competition attracted a bumper entry, bringing together some of our longest-standing members and some of our newest. Our judge, Mr Aubrey Andrews of the Miserden Flock, certainly had a challenge on his hands—not only in judging the entries, but also in travelling the length and breadth of our area. Credit must also go to Sue for her expert navigation.*

*" Mr Micheal Leer of the Sidborough Flock was awarded overall champion, a particularly poignant achievement with his partial dispersal following in the September.*

*" Aubrey had the opportunity to see a wide range of our members' flocks, from those focused on the show ring to those firmly committed to producing commercial breeding stock.*

*" The Club would like to thank Aubrey and Sue for their time and expertise in judging this year's competition. We also would like to congratulate all the winners and thank everyone who took part in this year's flock competition"*
